		A	D	
	Doors to Lobby			

Designate your court as a match if you do not want any Walk-ons. Play can also be set up by individual invites on TeamReach.

Y Ground roles:

- West side/church side of court is first serve.
- Balls unplayable as a result of hitting dead spots are replays if both teams agree and must be called immediately
- Do not walk behind another court to retrieve a ball during play.
- Ball interference and hinders should be called
- A copy of the official USAPA rules is posted in the red box
- A copy of player ratings is posted in the red box
- Rules and ratings can be uploaded at usapickleball.org
- If you set it up, make sure it gets put away properly and the box is locked
- The equipment in the red box belongs to the pickleball group, not the YMCA. Occasionally money will be collected for new balls and nets.

Extra paddles balls and net for general use are available in locker #1 in the pool hallway.
